Lorie and Elliott,

I have added Lorie as an editor to the Uintah & Ouray Indian Reservation Uinta Basin FIP SharePoint Site. Elliott, you should already have editor rights.

I have addressed Rick Vetter's comments and the draft notice of proposed rulemaking is ready for your review and comment, titled "UO FIP Draft NPR 4 1 16 Clean ver 3 OAR rvw.docx" on the Regulatory Documents sub

page (see navigation on left hand side). We would prefer if you could use the 'Edit in Word' option through the SharePoint site, so that we have version control and less work to do to incorporate both of your comments. However, if it would help expedite your review to be emailed a version, I can do that, please just call or email me.

Thank you,

Claudia Smith
